

Home Furnace Tune Up and Smart Thermostat Program Preferred Contractor Application Form

PNG aims to promote reliable and knowledgeable contractors through their Smart Energy Solutions.

If you have been approved by PNG as a Preferred Contractor, and you would like to participate in the Home Furnace Tune Up and Smart Thermostat Program please complete and return the following application. PNG will review the information and contact you with next steps.

PNG's Home Furnace Tune Up and Smart Thermostat program provides financial support to residential customers to elect to have their natural gas heating system tuned up and a smart thermostat installed. This program aims to improve the performance of gas furnaces and simplify energy management and conservation behaviours in the home using smart thermostats.
